

MAINS MASTER PROGRAM (MMP) 2024
MODERN INDIA - 1

1. The 'age of discovery' altered the balance of trade and power in a major way with the arrival of Europeans in India. What were the factors responsible for heralding this age?
2. Despite enjoying an early lead in colonising the Indian Ocean region, the Portuguese were not able to create an enduring empire. Discuss.
3. Analyse the factors responsible for the 18th century Anglo-French conflict in India. Why was it the British who prevailed?
4. Political and military factors were at the heart of the success of British Imperialism in India. Discuss Critically.
5. To what extent would it be correct to say that the British established their Indian Empire in a fit of absent-mindedness?
6. The colonisation of India shaped historical development over the next 2 centuries. Discuss this statement in the context of Indian and world history.
7. The British colonisation of India was primarily an economic phenomenon. Justify this statement in light of the evolving colonial policy in response to the changing economic needs of the empire.
8. The 19th century 'Indian Renaissance' was India's first step towards modernity. What were the objectives it sought to achieve?
9. In many ways, the 19th century social reformers were the real founding fathers of the modern Indian Nation. Discuss.
10. The idea of 'Akhand Bharat' was India's response to European nationalism. Discuss critically.
11. The Permanent Settlement of 1793 had lofty objectives but was bound to fail. Discuss.
12. How did the Industrial Revolution influence the colonial political, administrative, economic, social and cultural policies in India?
13. Wellesley was the real founder of British power in India. Discuss.
14. In many ways, Dalhousie was the builder of Modern India. Discuss.
15. The Ryotwari Settlement was introduced to overcome the weaknesses of the Permanent Settlement. To what degree did it succeed in doing so?
